Molten Corporation (headquarters: Nishi-ku, Hiroshima City, Japan; President and CEO: Kiyo Tamiaki), a manufacturer of competition quality sports balls and equipment, will provide the official ball for the 25th Men's Handball World Championship France 2017 featuring a custom design inspired by the flag colors of the host country, France. The event will run from January 11 (Wed.) through to 29 (Sun.), 2017.

Created in collaboration with the IHF, the eye-catching design of the new model handball is based on Molten's renowned X5000 model, which was adopted as the official ball of all IHF sanctioned international games in 2014. The new model features a rich color combination with gold accents and aligns with national imagery of the host country, France. The custom design is expected to add excitement to the 25th IHF Men's Handball World Championship for players and spectators, alike.

Guided by the brand statement, "For the real game," Molten Corporation is dedicated to developing and supplying products with superb functionality and design for the larger handball industry.

■ Product Features
